RE: Access to Property at 4301 Brighton Blvd.

Dear Mr. Morales:

Thank you for speaking with me these last few days and agreeing to provide access to your property at 4301 Brighton Blvd. for sampling activities relating to the Vasquez Boulevard/ Interstate 70 Superfund Site. I am enclosing a copy of the access agreement that ASARCO's contractor, Enviro Group Limited, uses for this situation. I have also left a message with the previous owner of this property, Joe Thalarico, in an effort to obtain the sampling data previously obtained. However, in order to move forward quickly, I am asking that you sign the access agreement so that ASARCO can fulfill its obligations to EPA and complete its sampling activities.

If you have any questions, you may contact me at 303.312.6518 or at [Kellen.karen@epa.gov](mailto:Kellen.karen@epa.gov). You may also contact Enviro Group directly by calling 303.790.1340, please ask for Ken Metzger. Thank you for your cooperation in this matter.

Sincerely,

Karen S. Kellen
